

## 2017 FIFTH AGAIN

2017 began under the same leadership although long serving vice-president and Club stalwart Kevin Hedger had passed away in January. Kevin, a Life Member had had a 50 plus year relationship with the AFNC as a player, coach, selector and Committeeman and to see his Land Cruiser missing from under the cypress tree in front of the clubrooms took some getting used to. Triple premierships coach Ian Alexander and dual premierships player Len Elward had also passed away in the interim.

The senior team was again coached by Sam Kidd who had overcome a serious hand injury that had kept him off the field for most of 2016 and he was to play again. Alex. had lost Bart Wallace but had recruited former B&F winner Zach Heaslip and a tall ruckman Jacob Brereton who looked promising.

After virtually no solid practice matches, Alex. was fixtured to play recently relegated division one team Belgrave who had not visited the Showgrounds since 2010, in round one on April 8th. The weather was of course warm and the ground hard as Alex. began to the town end assisted by a swirly north-westerly wind and led by 4 points at the first break. Belgrave came back with four goals to one in the second to lead by 14 points at half time. Each team managed three goals for each of the third and last quarters with the visitors able to score late in each of the quarters to win 14.13 to 12.9. Alex. goals were spread amongst nine players but Brayden Norris was judged best with Stephen Steiner and Scott Heveren also mentioned. After a 21 day break due to a bye and Easter Alex. resumed on April 29<sup>th</sup> at Yarra Junction. The home side led early as Alex. wasted opportunities at the clubrooms end. Alex. through weight of inside fifties, took the lead narrowly at the first change and increased it 14 point at the long break. The game continued along a similar pattern in the second half with the Eagles accuracy keeping them in with a chance although they never looked the winner. The final margin was 22 points from 31 scoring shots to 19. Brayden Norris with 7 goals again polled the maximum votes and was the winner of the medal awarded after the game as Alexandra reclaimed the George Steiner Cup. (Brayden was unfortunate that the umpires votes for the game went missing) Ben Cooper looked back to his 2015 form and Scott Heveren was again in form. Alexandra's first home game for a month, was as host to Powelltown for round 4 on May 6<sup>th</sup> in mild autumn conditions. Ruckman, Jake Steyger playing his 100<sup>th</sup> game led the team out for what was to be an even first quarter. The game was won in the second quarter when Alex. kicked six unanswered goals to lead by that margin at half time. As conditions deteriorated in the second half the game was evenly contested with Alex. increasing their margin to 48 points as the final siren sounded. 17.12. to 10.6. Ben Cooper, Brayden Norris and Michael Coombs were assessed as best. Ryley Norris and Conner Heaslip returned to the team after a late start. Zack Heaslip also returned after an absence of six years. A further break in continuity for an inter-league game, compounded what had been a stop-start season so far, preceded the local derby. Alex. made the short journey to the other side of the Goulburn River to play Thornton- Eildon and found the home side difficult to get on top of. A goal to Zack Heaslip in the first minute but the next goals did not come as easy. Alex had the narrowest of leads at half time in a scrappy game and the 'Boners were still in with a chance at the last change over. A fitter Alexandra team finally got some system into their game and finished up winning comfortably 15.14 to 7.8. Scott Heveren, who led a defence that allowed the home team one second half goal, was Alexandra's best supported by Stephen Steiner and Ben Cooper although Ryley Norris impressed the umpires. After three successive wins Alexandra made the trip to Kinglake and as usual of recent times, found the home side too good on the day. Alex. had first use of a strong northerly but were not able to take full advantage and also allowed the home side goals at the other end. Alex. had a good second quarter defensively but got further behind as the game progressed as the locals used the conditions much better winning 13.13 to Alex 7.11. Ryley Norris, Ben Cooper and Steve Steiner worked hard to lift the Rebels.

*Alexandra Football Netball Club's Round 7 match v Yea on June 3<sup>rd</sup> was Alexandra's 1300<sup>th</sup> game since football resumed after the Second World War in 1945. Alexandra have played in virtually four different competitions in the past 72 seasons starting in the Upper Goulburn F.L. (29 games) for the first two seasons before returning to the Waranga Nth East F.L. where they had played pre-war, for the next 30 seasons (526 games). Upon the demise of the WNEFL, Alexandra joined the Yarra Valley Mountain District F.L. in 1977 and played there for 9 years (162 games). Alexandra then played in the Tungamah F.L. and its renamed derivatives for the next 20 years (376 games) before rejoining the YVMDFL in 2006 (210 games). Alexandra players and supporters have travelled over 109,000 kilometers to and from 43 different venues from Mulwala NSW (368 km return) in the north, to Narre Warren East in the south as well as suburban Fairpark on Scoresby Road and have averaged 158 km per return trip during the above period. Alexandrians clocked up the most km's travelling to Mansfield (8160 km's) for 56 away games and 4 finals. Of the 1294 games to the end of 2016, Alexandra have won 573 H&A games and 39 finals whilst losing 633 H&A games and 38 finals. There have been 11 drawn H&A games. During this time, Alexandra have played in 14 grand finals for 9 premierships.*

*Alexandra have been playing football against Yea since the late nineteenth century but during the period (1945 – 2016) Alexandra have played the most games against Yea with a slight advantage 76 H&A wins and 68 losses with finals 7 wins – 7 losses including one grand final win each. At the Showgrounds recently, Alexandra have won six of the nine contests since both teams rejoined the Y.V.M.D.F.N.L. but the Tigers had current bragging rights with a big win in last year's Elimination Final.*

Back at the Showgrounds for the first time in four weeks, the local football fans turned up in good numbers to see Alexandra and Yea compete for the Hedger – Ivey Cup, a trophy instigated to commemorate the achievements of each of those players to their respective football clubs and towns. Captain Chris Mullins played his 200<sup>th</sup> game this day and Jack Elkington returned to the team after a few years absence. Another player to play a milestone game that day was Cory Jack in the Reserves who played his 350<sup>th</sup> game, only the second player to reach that figure. With 12 first half goals to 5, the home side virtually had this game won at half-time and although an accurate Yea were more competitive after the break, Alexandra went on to a comfortable win in a high scoring game. 22.20 to 13.4. Brayden Norris with 7 goals and Ben Cooper won the votes ahead of Steven Steiner and Scott Hill. The Hedger-Ivey cup was declared a draw with a 3/3 result over the six football / netball contests.

Round 8 saw Alexandra at home to Yarra Glen with a good crowd of locals and Truck Show visitors in attendance. Conditions were near perfect after the fog lifted as Alex. challenged the competition leader. Steven Steiner led the team out on the occasion of his 100<sup>th</sup> game but Alex. suffered a blow when Brayden Norris had to withdraw late. The defence led by Jack Goonan and Jordan Purcell were strong early and kept the difference to a manageable 15 points at half time. Alex. wasted opportunities to get back into the game in the third quarter and the visitors extended the margin to 21 points at the last change. Yarra Glen showed why they were the ladder leader with 6 goals to 2 in the last, to record a comfortable win 13.12 to 6.9. Ben Cooper. Jack Goonan and Steve Steiner led the way.

Alexandra next made the trip to Seville and as has often been the case when Alex. play at Seville, it takes them a quarter to acclimatize to the strange ground and during this stage the home side virtually put the game out of Alexandra's reach with an eight goal to two first quarter. Alex stemmed some of the bleeding in the second quarter restricting the home side to only four goals but even kicking to the downhill end, Alex could only manage a single goal. Seville's multi pronged and accurate attack of O'Keefe (who finished with 7 goals) and Toohey (6 goals) were causing the Alex defence many headaches as was the pace of the Blues small men. Alex. continued to work and tackle hard and actually won the last quarter but the damage had been done early contributing to 9.9 to 19.8 defeat. Ben Cooper, Nathan Dundas, Michael Coombs and new player Nick Waugh won the votes. At the halfway mark of the season Alex. were fifth with four wins and four losses. The Reserves were fourth 5 – 3.

Alex were on the road again the next Saturday to Belgrave for the first time since 2010 to start the second half of the season. As happened last game the travelers were slow to start allowing the home side to lead by 14 points at the first break. A determined effort and lift in intensity saw Alex. with six goals to four reduce the margin to a competitive 9 points at half time. Again Belgrave got the margin out to 14 points at the last change. The last quarter was a great display of football as Alex. more than matched the Magpies and actually led by 9 points at one stage in the last quarter. Belgrave steadied and finished strongly winning 19.13 to 17.10 but Alex. lost no respect with a very good performance. The Norris brothers and Lee Ragg each scored the 3 votes from those with voting cards. After two away games and a bye, football returned to the Showgrounds on July 8<sup>th</sup> for round 11 as Alexandra were at home to Yarra Junction, badly needing a win after losses to the top three teams in the last three games. A good and enthusiastic crowd including members of the 1997 and 2007 (Reserves) premierships teams were in attendance. The Alexandra players wore black armbands as a mark of respect to the Dundas family after their beautiful Steph. lost her courageous battle with Cystic Fibrosis.

After a slow start with each team kicking 2.4 in the first term Alex the kicked 14 goals straight (an Alex. record) in the middle quarters to take control of the game. The Eagles were competitive in a high scoring game and it was only after three quarter time that the margin extended beyond four goals. Alex. 21.8 to Yarra Junc. 14.9. Luke Heard with 7 goals, Brayden Norris (4) and Ben Cooper scored the votes. Alexandra next travelled to Powelltown to attempt to turn around a five game losing run at the Mill ground. Alex. had not won there since 2012. Alex began to the mill end on a cold, still winters afternoon and were mostly on the defensive early as the home side led by 3 goals at the first break. Alex. kicked five goals uphill in the second but the Demons did likewise leaving Alex. with a 19 point deficit at the break. The home side extended the margin out to 29 points as players took the final break and finished off much better than Alex. who could only manage three goals after half-time to record a 17.12 to 10.8 win. Jordan Purcell, Brayden Norris and Ben Cooper continued their fine form whilst Luke Heard kicked four goals and Scott Hevereen three.

On a frosty, foggy morning Alexandra were home to Thornton Eildon for round 14 and in front of the smallest crowd at this fixture for some years. Alex. was forced to make five changes to the side that kicked with a slight breeze favouring the town end. Alex. kicked five goals in each of the first two quarters but the visitors were able to kick seven

and keep interest in the game. Six further goals in the third gave the Rebels a lead by around that margin at the last break and Alex. continued to increase the lead finally winning by 43 points much to the pleasure of coach Sam who held that “margin ticket” Brayden Norris (7 goals), Ben Cooper and Michael Coombs impressed again. The Reserves won comfortably and the three Netball teams completed the clean sweep, playing on their new courts for the first time. Alexandra was next home to Kinglake and with each side on 32 points, needed a win to replace the Lakers in the five. Alex. begun well to the town end and led by 27 points at quarter time. The defence contained the visitors to two goals as they took their turn with the wind but Alex. struggled to go forward with any system particularly with a player off. After a slow start to the third quarter Alex. got back to 18 on the field and with Brayden Norris adding four third quarter goals took control of the game, leading by 43 points at the last break. Even against the breeze, Alex. continued their dominance with six last quarter goals whilst the defence held Kinglake to two. Alex. 18.13 to 7.8. Best Brayden Norris (7goals), Ben Cooper, Ryley Norris. Alexandra next travelled to Yea, where they had historically played well over the years. The Recreation Reserve showed the effect of Friday night’s rain with a few heavy patches. Alex. took a seven point lead to the quarter time huddle in an uninspiring first quarter where they missed targets by hand and foot. Scott Heveren was strong in defence with his usual dash and Ryley Norris continued his recent good form. The pattern continued in the second quarter with Alex. not able to shake off the determined Tigers who trailed by 17 in a low scoring game at half time. The game opened up a bit in the third quarter and the Rebels added four goals to two to lead by five goals plus at the last break. Alex. continued to build in the last with six goals to eventually win comfortably 16.13 to 7.6. Ryley Norris, Ben Woolard who also was having a very good second half of the season and Jack Goonan impressed the judges. Alexandra’s next trip to Yarra Glen ended the same as many over the last few years, a loss on the big ground. Alex. had a good first quarter leading narrowly as teams changes over and four further goals in the second was good but the home side kicked a match winning eight goals to lead by 23 points at the long interval. The third quarter was even with the Rebels getting back to within 14 points before the home side again stretched the lead to 25 points. An early Yarra Glen goal in the last made Alexandra’s task near impossible but they continued to attack and actually won the quarter but lost the match by a creditable 21 points 14.10 to 17.13. Ben Cooper, Scott Hill and Ben Woolmer led the vote getters. The last H&A game was at the Showgrounds where Seville was the guests. The oval was in great condition following overnight rain but the match did not live up to any great heights early with much congested play and many ball ups. Seville led at the first change. Alexandra won plenty of the ball early in the second but wasted many opportunities at the hill end. Eventually Alex. through Cooper and the Norris brothers started to get value for possessions and went in with an 18 point lead at half time. Alex. again struggled to finish and play again became ragged as each side managed two goals. Alex again did much better to the hill end in the last quarter with five goals to two, to finish 14.13 to 9.6. and celebrate Jack Elkington’s 100<sup>th</sup> game with a comfortable 37 point win. Good performances against Belgrave and Yarra Glen away, and the win against third placed Seville was a boost going into the finals. Ryley Norris, Ben Woolmer and Ben Cooper voted well as did Brayden Norris (4 goals) who scored the umpires top vote. Alexandra had finished fourth with nine wins (six at home three away) and seven losses. The Reserves finished comfortably in fourth place 10 – 6.

#### ELIMINATION FINALS at Yarra Junction

The Alexandra Football Netball Club travelled to Yarra Junction last Sunday with both football teams and two netball teams (C & D) involved in elimination finals matches and another netball team (B) playing Yea in a Qualifying Final.

**SENIORS.** Alexandra who finished the home and away season in fourth place played Powelltown with the record one home ground win each during the season. Alexandra included Callum Tranter and Daniel Rouget to replace the injured Brent McDonald and Jack Goonan. The oval at the Junction was showing the effects of recent rain which continued on and off throughout the match. After an inordinately long break between games Alexandra began to the river end but Powelltown were first to work the ball forward and put the Alex defence under pressure. When Alex. went forward the Demons defence was able to clear. Neither side scored in the first six minutes until a Powelltown behind. Alexandra struggled to get clear possession and most disposals seemed to be rushed causing several turn-over’s. Finally Ryley Norris got a clear possession going forward and Scott Hill kicked the first goal of the game. The defence, led by Scott Heveren was working hard. Alex again went forward and Matt Steiner snapped a good goal. Powelltown kicked their first goal late in the quarter. Brayden Norris had a chance after a fine diving mark but was off line. Alexandra took a six point lead to the quarter time break. The play was bottled up on the scoreboard forward flank as players threw themselves into the contests. Alex could not find targets going forward and the Powelltown defence took many intercepting marks. The Alex defence and some poor kicking for goal by their opponents were keeping Alexandra in the game. Finally the Demons kicked the only goal for the quarter as both defences were on top. Alexandra were contesting and tackling well but Powelltown took a three point lead to the clubrooms at half time. Alex took the lead back early in the third quarter when Brayden Norris goaled. Due to the conditions the standard of play was poor with consecutive ball-ups as players were tackled as soon as they took possession of the ball. Powelltown were on top generally but continued to miss

what they should have kicked as scores were level until a Powelltown goal gave them the lead. When Alex. went forward they could not win possession close enough to goal to score and if not for the Demons 1.7 would have trailed by more than the ten point margin at three quarter time. The last term began with the play in the Powelltown half with the Alex. defence again under pressure. A mark and goal to the Demons gave them a big break in the conditions. Alex. were having trouble getting the ball in their hands in a scoring position so Sam Kidd kicked Alexandra's next goal out of the air. Powelltown soon replied with a goal off the ground at the River end as Alex tried hard to get back in the game but could not get any fluid movement going forward. Powelltown sealed the game with a sixth goal as time slipped by. Ryley Norris kicked the last goal of the game but Powelltown won comfortably 6.16.52 to 5.4.34. but 22 scoring shot to 9 probably a truer indication of their edge in handling the conditions. Best Players: Ben Woolard, Ryley Norris, Ben Cooper, Daniel Rouget, Scott Heveren. In an emotional speech after the game Coach Sam Kidd thanked the players for their efforts over the year, his assistants, the trainers and the Club for their support.

**RESERVES** The Reserves added Ryan Carter, Conner Heaslip, Jonathan Noy and Chase Pearce to the team that comprehensively accounted for Seville in the last H & A game at the Showgrounds. As expected Seville fronted with a much different line up but due to the fact that their Seniors were playing just down the road were not able pack the Reserves as at Olinda last year. Alexandra began to the main road end and although Seville was first into attack the Alex defence stood firm. Coach Matt Herridge got his side away to a good start with the first two goals followed by one to Ben Podger Carroll from a spectacular mark. Alex. was showing plenty of commitment to the contest. Seville goaled late in the quarter as Alex. led by two goals at the first change. Jonathan Noy goaled from well out in the second quarter but Seville replied with a goal off the ground. After an Alex. behind, Podger Carroll marked the misdirected kick-in for his second goal. Although Seville were just as hard at the contests Alexandra were much cleaner with the ball in the open and led by 23 points at half time. Podger Carroll kicked his third goal and along with Jacob Brereton who added the next two goals was playing well with the defence well on top. Alex. had the match won at the last change leading by 41 points as the hail hit the ground. Sensing the game was lost Seville dropped their earlier competitiveness and Alex added seven further goals (four to Scott Isaacs) in a one sided last quarter to run out big winners 15.9.99 to Seville 2.3. Best players included Daniel Roper, Tom Halligan, Conner Heaslip, Jacob Brereton, Ben Podger Carroll and David Bourke.

#### RESERVES FIRST SEMI FINAL at EMERALD

The Alexandra Reserves football team and the B and D Netball teams travelled to Emerald to play in the Yarra Ranges Second Division First Semi-finals last Sunday. Alexandra had not played at the Chandler Recreation Reserve since 2015. The ground was in top condition but the weather was showery. The Reserves included Sam Kidd, Nick Waugh, Daniel Rouget and Max Church to replace Ryan Carter and Rhett Marsh (ill) Jake Coulson and Brayden Burchall in the team that easily accounted for Seville in the Elimination Final. Alexandra began to the top end as heavy rain began to fall which made the ball slippery and hard to control. Yarra Glen kicked the first goal seven minutes into the game but the defence led by Chase Pearce and Cory Jack were contesting well. A long kick out the back resulted in Yarra Glen's next goal. Daniel Roper was working hard at the numerous ball-ups and he forwarded to Conner Heaslip for an Alex. goal. Alexandra trailed by seven points at the first break. Daniel Rouget who took a fine defensive mark was winning well in defence and Jacob Brereton was now marking the ball well as the rain ceased. Both teams were contesting well with all players under pressure when in possession of the ball. A long kick forward was touched on the line as Alex added the first score well into the quarter. Although goalless, Alexandra had plenty of possessions and won the quarter but trailed by 5 points at the main break. Another heavy shower fell at the start of the third quarter to again cause further congested play. Brereton was jumping high in the ruck and Jedd Hamill marked within range at the top end but his kick was rushed through for a behind. The Umpires were letting play go on in the scrimmages. Sam Kidd ran the length of the ground to mark up forward but only another behind resulted. Both sides became adventurous running the ball through the centre but Yarra Glen got the top result as Puffin Billy's horn could be heard in the still air. The Glen had marginally increased their lead to 12 points at the last change. Alex. was confident they could bridge the margin and started the last quarter well and when Tom Halligan dashed clear and goaled, the difference was five points. Alex. were on top in defence and through the midfield and looked likely but a heavy shower mid- term curtailed their control of the ball. The game again became a battle of the defences as time ran out for the Rebels leaving them eight points short 2.8.20 to Yarra Glen 3.10.28. Best Players included Jacob Brereton, Tom Halligan, Daniel Rouget, Nick Waugh, Tom Dodemaide and Tim Fieldon. Although beaten the Reserves were certainly not disgraced as they contested every possession. The defence again was tight and the midfield created opportunities but the forwards could not get enough clear ball in the conditions to kick a winning score.

NETBALL FINALS. Week one. B grade: Yea 49 def Alex 37. C: Kinglake 37 def. Alex 28. D: Alex 35 def Kinglake 17

Week two B grade: Alex 42 def. Yarra Glen 32. D: Yea 24 def Alex 11. Prelim.Final. Yea 46 def. Alex 45.
