## FROM THE PRESIDENT

**May 6 2021**

Hi everyone,

What a great day for footy! Sun shining, girls and boys having fun, seven teams singing the song at the end of the day, and the second last round of grading.

There were some great games over the weekend as the U18 youth girls, U17, U16, U14, 2x U12 and the U9s all celebrated at the end of the day. Our oldest groups really showed their strength this weekend. The Youth girls secured their position with a 154 point win over the Vamps, whilst the U17 boys showed their strength taking on Beaumaris and securing their position with a 47 point win. Despite the result, all the kids across all games had a fantastic time.

### AUSKICK

With the help of the U14 boys and some of our U10 girls, Auskick was a blast on Saturday morning. With over 100 Auskickers running around, all the kids were having a great time with the older boys and girls, and enjoyed all of the games and activities, learning our great sport. The Auskick team have been working relentlessly to give all the kids a great experience on Saturday morning, with a snag and the song being bellowed out at 10.15am. This week we have the U18 girls giving a hand to the Auskickers, so make sure you get down there to help out!

### SENIORS

Great to have footy back in 2021. And now that we are all Doggies, it's even better. It's a nice pathway for the future of our football and netball teams. The Reserves are going well and are playing great footy under Paul Commerford, with more players on a weekly basis pushing for senior selection. The Senior boys have not registered a win yet, however some big efforts against some good opposition means the signs are good and a win is just around the corner. Our Senior boys take on Oakleigh at McKinnon Reserve from 12pm (Reserves) and 2pm (Seniors) this Saturday. Get down to the oval and support the boys and let the younger kids have a kick and enjoy the atmosphere. Go Doggies - Coach Jason.

### JUNIORS

Great to see all 18 teams on the track this weekend. Whilst being flat out on Sunday running around, I watched on at the U8s, U9s, U11s, 2 x U12s, U14s, U15s, U16 Girls and U18 Youth Girls all out and about on Sunday. Wow, some really great talent coming through the ranks. We had the speed, the pace, the agility and the skills all being displayed on Sunday. It was fantastic to see a couple more milestones with 50 gamers on Sunday as well. Congrats to Bridget, Liv, and Jas. McKinnon was thriving on Sunday with six games at Home. The canteen was pumping and the coffee was pouring out the doors. A big thank you to all helpers. All teams at home will need to ensure that PRIOR to the game they have 2 to 3 people in the canteen assisting with the canteen duties, coffee and BBQ please. It's amazing to see how many bacon and egg rolls & hot dogs are sold in a weekend. Umpire appreciation week was great, with plenty of respect shown to the umps going out on Sunday. By all accounts, all teams were on their best behaviour. Congrats everyone!

### HELPERS

Again, a few more people have come forward to help out with the social side of things - thanks heaps! We will be changing up the Doggie of the Month this year with two sessions in the club rooms - due to COVID. ## NETBALLERS

The St Paul's McKinnon FNC, has grown to three open netball teams this year, placed in Div A1, A2 and A4. Four rounds in, with so much new talent, the girls are still finding their on court cohesion and working out how one another play. They've had mixed results against challenging opponents; some great wins, very close games and a few losses. As always, all teams' endeavour, drive and desire to improve each week can't be questioned. More wins are on the way - the sisterhood is strong! Go Doggies!

# UNDER 8 YELLOW

## St Pauls McKinnon vs East Brighton

A beautiful Sunday morning greeted the Under 8's at Hurlingham Park as we were set to take on the East Brighton Vampires for Rd 3. Captain for the day was star recruit Tilly. With the toss of the coin completed, we were set. The match started in a very tight contest with both teams eager to get the ball. Great efforts from both teams was the order of the day. The Doggies had a few new faces with Izzy and Zac joining the 8's and both were standouts! In and working hard for their team, both were on the bottom of the pack getting the ball out. So good to see! Seb and Sidd joined our team for the day and we hope to see them both again soon - both boys had great games. Sidd showed great dash around the ground and Seb was right in the thick of the action. Rose and Zara put in well and I loved seeing them having a really good go at it. At half time there was less than a goal in it and the Doggies were giving their all. Coming out of the half Beau had a big effort down in the forward line, sprinting for the ball and chasing down the Vampires' defenders. So great to see Beau taking the game on. Mac, Duncan, Sam, Zayn, Ben, Hamish and Hudson fought hard all day in every zone they played, all of them showed great Doggies' spirit. Lucca and Mitch teamed up again in their zones and both boys had a real crack. Archer has joined the 8's and has been a real boost for the team! Some massive efforts from him especially through the middle of the ground and it's great to have him on board. The game was tight all day in what was a brilliant contest; probably too close to call in the end. Our Under 8's are coming along beautifully and it's great to see them progress. Being Umpire Appreciation Round, we extend a big thanks to Rob (goal umpire) and Jaimie (field umpire) - great effort fellas! Looking forward to Mothers Day and Rd 4 - Go Doggies! Coach Rob.

## St. Paul's McKinnon vs St. Caulfield

After missing Round 1 on holiday and Round 2 being in quarantine, Andrew and I were very happy to get back playing (coaching) footy for the first time in over 18 months. The skills shown by the kids today was really pleasing to watch. Such great progression of the kids' ball handling skills over the last six weeks of training and first two weeks of games. Some great passages of play with some fantastic kicking and hand balling to team mates in better positions. A real team effort resulted in a stirring rendition of the club song after the game. A big thank you to all the kids who donned a Caulfield jumper to help them with numbers. Finally a massive thank you to Michael and Jenny Watts for covering the coaching and umpiring duties in my absence. You guys did an amazing job. Also to Lani for being the best team manager in the business. It's such a privilege to be involved with a great group of kids. Go Doggies! Coach Aron

# UNDER 10 GIRLS RUBY

## St. Paul's McKinnon vs East Brighton

Both teams started well, however East Brighton got the first two goals of the qtr. St Paul's were having trouble getting the ball into our forward line. With a few positional changes at qtr time St. Paul's got on the scoreboard with a goal from Hudson followed by Hannah. Unfortunately these were the only goals we managed for the game, with Brighton East kicking another four goals in the last term to win the game. Best for St. Paul's was Mia, Hudson, Ebony and Keira. Special mention to Hudson Grima for stepping in and playing for us. He was our rock in defence. Coaches Joe & Adam

## St. Paul's McKinnon vs St. Peters

Round 3 saw us up against St. Peter's for the traditional rivals clash. Once again, thanks to our U9's for stepping up to play their 2nd game. It was great having Andrew and Jarryd back playing with the boys for the first time since U8's in 2019, Alistair for his 1st U10 game and Liam and Jack for again helping out our team. Tough match this week as we kicked against a fairly strong wind in the first quarter and let St. Peter's get an early advantage. Although we scored often throughout the game and ended with a total that would win many games, we allowed the opposition to score too easily at times. Still, we had many good passages of play where we moved the ball quickly with run and carry and brought our team mates into the play with handball and short passing. Looking forward to hitting the training track this week before we play back on our home deck in Round 4. Coach Chris

# UNDER 11 YELLOW

**St. Paul's McKinnon 1.3.9 vs East Brighton 5.9.39**

**Goal Kickers: Callum**

Vampires at Home for Round 3 saw us off to a good start with captains Zach and Evander winning the toss, allowing us to kick with the wind in the first quarter. We weren't able to take advantage of the wind in the first term, however the backline held up very well keeping the Vampires at bay, through great second and third efforts by Darcy and Lachlan strong in his defence. The second term we hit the scoreboard with a major with a well executed play initiated by Harry S getting the ball to Aidan who hit Callum out in front on the lead and went back to drill the goal. The boys kept the pressure up all day and really started to demonstrate how well they can move the ball end to end with Cooper moving the ball on from full back quickly to players running into space and clean positions from Charlie, Bailey and Evander streaming down the wing into Jonathan who presented well. At 3 quarter time we were within striking distance and Coach Trent implored his troops to not leave anything out on the field: "We only have 15 minutes remaining so give it your all. You can rest all afternoon at home!" The boys did give it their all in the last term, however it was a tough ask with the wind working against us. A big thanks to SMJFL appointed umpires Gary and William, as well as our parent umpires Steve (Boundary Ump), Jason (Goal Ump) and Mason who escorted them all (Ump Escort) - much appreciated. Bring on round 4! Coach Trent

# UNDER 12 MAROON (DAVE)

**St. Paul's McKinnon 5.6-36 vs St Bede's Mentone 5.4-34**

**Goal Kickers: S. Borreau 2, R. Nagar 1, D. McDade 1, P.Jacobs 1**

Top of the table clash with the two teams undefeated, we knew St. Bede's were going to come at us hard today and we needed to be prepared for a tough physical game. Our boys started really well, winning more of the ball out of the middle than our opponent, but as has been the theme this year to date, we just haven't got enough reward for our efforts when going forward. St. Bede's were quite efficient kicking two first quarter goals to our one. St. Bede's had a strong second quarter and if it wasn't for the efforts of James, Paddy & Aidan, our halftime deficit margin would have been greater. At halftime, my message to the playing group was simple: we had to find energy, get back to basics, run hard and not be intimidated by our opposition and stay true to our Doggies' spirit. We came out and played some of the best hard, tough football I know they are capable of which allowed us to take a two point lead going into the final quarter. Ruben and Ted ran all day and never gave up. Braden was moved to centre half back and was instrumental, taking a number of contested marks, whilst Luke was great with his positioning, quite often getting the ball out of the backline when St. Bede's were coming hard at us. This is a game that will continue to give our boys plenty of belief - a fantastic team effort! Coach Dave

## UNDER 12 RED (SHANE)

**St. Paul's McKinnon 13.14.92 vs East Brighton Vampires 3.1.19**

**Goals: Thomas 3, Darcy 2, Archie 2, Tom 2, Christian 2, Leroy 1, Lachie 1**

We were yet to get a win after the first two rounds, but at the same time, we were getting very close to one, which came today. The work we have been doing on the track really paid off in what was our first four quarter performance for the year. After falling away in the final quarter last week, the focus was to play out the game strong. We got off to a very good start, kicking early goals and putting scoreboard pressure on the Vampires, especially kicking into the wind. Our intensity and numbers to the ball was fantastic and the finishing skills of Christian and Leroy to name a couple was great. The 2nd quarter started off very good where Arav was dominating in the ruck and Darcy was doing what Darcy does - clearing it out of the centre, both by foot and running handball with Adam and Thomas. Our efforts to keep the ball in our forward line once there was paying off, getting plenty of shots on goal. Our backs were holding up very well with Lewis and Markus playing in front and Tom, when back, was creative with his run. But when he went on the ball, he hit the scoreboard kicking two goals for the game. Kingsley, our captain for the day was playing a captain's game and was at his best. After half time we continued the same way, our backs were ready when the ball came their way and the movement through the middle was the way we want to play. Thomas was playing his usual "see ball get ball" and run style and it was paying off kicking multiple goals for the quarter. Coming into the final quarter we had a match winning lead but wanted to make a statement. Archie who had been terrific across half back and on the wing pushed forward and kicked two goals, whilst Lachie, who has had a great start to the year, snagged one also. We had a match where everyone contributed - Tim was chasing and creating goals from his pressure and tackling; Christopher was making space in the forward line; Miles was getting to where the ball was often; Hayden controlled his opponent all day and Daniel was playing with the intensity and drive that he shows at training. Fantastic effort by the boys. We look ahead to next week with confidence and hope to sing the song again. Coach Shane

# UNDER 12 GIRLS LIME

**St. Paul's McKinnon 5.3.33 v Oakleigh JFC 7.6.48**

On a beautiful Autumn morning, the girls were excited to take on Oakleigh. Today we also welcomed Ava North to the team, taking our team to 12 girls. Despite a tough start to the season, the girls came to play and it wasn't long before Madeline De Ryk kicked our first goal for the 2021 season. The girls are continuing to improve and this week they took big steps forward. The girls ended up kicking five goals for the game. Madeline with three goals, Sienna Aloï and Zalia Wright both kicking one goal each. The girls fought hard and were in the game right up to the last the quarter. Our defence held strong today, headed up by Matilda Loft, this week's captain, who took some great defensive marks. It was a great team effort, with the girls tackling hard and putting pressure on Oakleigh. Our girls did not give up and fought hard all the way to the final siren. Madeline, Matilda and Cully were recognised for their efforts today but there were many others who worked hard and contributed throughout the game. I am really proud of the development these girls have made. Keep having fun girls – our number one team rule. Once again thanks to all the parents for all their support today. Coach Pete

# UNDER 13 DIV 6 (JOCKA)

St. Paul's McKinnon 5.5.35 vs Bentleigh Highett 8.12.60

Best Players: Gianluca, Noah, Tom, Mitch and Andy

Although undermanned, U13div 6 went in full throttle attacking against the 'new combine' of Bentleigh Highett. Although we pushed forward with the wind in the first quarter, our rewards were not really rewarded as we lacked the finishing skills when it mattered in front of the goals. In the second quarter we defended valiantly against the wind and kept the opposition score to a respectable margin. Whilst being behind we threw caution to the wind and went all out in attack in the third quarter and finally started to finish off in front of goal, and through discipline and hard work, got well within reach of the opposition by  $\frac{3}{4}$  time. In the last quarter, we pushed hard against the strong wind and although we got the ball up to our goals again, we just lacked that polish to convert. The boys all worked hard and went that extra step to try to be attacking. We finished the game well and are improving in all facets of the game now and in every quarter so that our future looks bright. We eagerly await our last grading game and onwards from there. A special thanks to the Combine who provided some extra players to make sure ALL THE PLAYERS AT THE GROUND GOT 4 QUARTERS ON THE DAY. Bring on Sunday.

## UNDER 14 DIV 2

**St. Paul's McKinnon 7.5.47 vs Caulfield Bears 4.5.29**

**Goals: Anri 3, Ryan, Julian, Noah, Daniel**

The boys were after the choccies today. We were at Koornang Park with another late game before the storm set in. The boys were pumped for a good game and got there early for the warm up, stretch and get ready. They were ready, not to disappoint. The boys came out all guns blazing with a 2.1 start. Pagan's Paddock worked well initially with the ball moving freely into the forward. Only to be followed with a levelling of goals in the second quarter. The boys were excited to start playing some of the trained game plays, which worked well from the attack. At 3 quarter time, the strength of Noah, Julian, Ryan, Ryder, Daniel, Hayden, Hammer, Kristian and Anri out with some great tackling. The boys were extremely impressive around the ground and moved the ball freely through the corridor. With a clean three goal fourth quarter, the boys took the chocolates on the day and were able to sing their song, showering Lincoln with water, who was back from a long term injury. Round 4 against Prahran will close out our grading rounds at Toorak Park at 11.30am this week. We aim to keep the momentum going, despite a couple of injuries last weekend. Coach Paul.

## UNDER 15 DIV 4

**St. Paul's McKinnon 2.3.15 vs Ajax 2.10.22**

**Goals Kickers: S. Scherer, H. Mckenzie, F. Pacak, L. Hiscock**

The Under 15 boys took on Ajax at McKinnon reserve on a sunny afternoon with a reasonable breeze favouring the southern end. From first to final bounce our lads applied immense pressure that had the Ajax boys thinking twice about putting their heads over the ball. In a low scoring, high intensity affair, Ajax managed to hang on to win, but the effort, ball movement and determination that the boys showed, left us with renewed confidence that our next win is not too far away. Hugo

## UNDER 17 DIV 1

**Central Saints 14.12.96 vs def Beaumaris 7.7.49**

**Goal Kickers: N. Madgwick 4, J. Waldren 2, C. Rousakis 2, F. Dover, L. Orso, J Galgut, S. O'Brien, J. Chilcott, N. Scollo**

**Best Players: J Galgut, J Chilcott, T Coleman**

There are a lot of people around these fantastic clubs in the background who have worked very hard to get the Central Saints up and running, so thank you to all those anonymous heroes. This is the game that solidified why it was all worth it. It is ultra-competitive in Div 1 but both the Paul's and Peter's young men came together as a team. We sprang to life early and our attack on the ball was phenomenal. We turned on a brand of footy that created forward opportunities galore. The great premiership winning names fly off the tongue and it is fantastic to watch them on their Post Covid encore tour performances. We are truly blessed. Chris Rousakis, Will Green and Jack Behnk seemed to be here, there and everywhere. Jack Scherer was Petracca like, Galgut cut a swathe as he went about his business with no fuss, Orso was blistering, the Chilcott boys came in like wrecking balls. Seamus shimmied all over the ground as usual. Harper, Kilmartin and Tran made a miserly defence even more frugal. Vandame was as agile as his namesake. Hattingh, Dover and Waldren kept the forward line dangerous and welcome to Big Max who won most of the ruck taps to give us first use. Sammy Jones, Matt Day (inj) were waiting in the wings this week. Add now Fountain, Madgwick, Scollo, Lawrence and Coleman and you have a dangerous cocktail of footy talent. Shout out to Xavier and Jacob for their first coaching win this season and the inaugural win for the Central Saints. Andrew

# UNDER 18 GIRLS DIV 2

St. Paul's McKinnon / East Malvern Youth Girls 22.22.154 vs East Brighton 0.0.00

Goals: Stolzy 4, Georgia Foran 4, Georgia Smith 3, Beyonce 3, Clare 3, Liv (50 Gamer) 2, Charli, Megan, Jas (50 Gamer), May

A great day today for the girls. Whilst we jumped the gun early and took the lead seven goals in the first quarter, the girls took it in turns jumping on the other side to give the Vamps a go. The girls lead at half time at 10.10 and found a lot of rushed behinds occurring. Despite the blood nose to Rosie and broken wrist for Megan, the girls had a great time having fun and enjoying the sunshine and warm weather. The girls played some brilliant footy taking some of the skills and applying this into the game. The girls lead at the last quarter with 17 goals and with the assistance of two of our 50 gamers - Liv and Jas with some great scoring, the girls led the game to the end with a cheer and smiles. A brilliant effort by all the girls. Next up Waverley at Basil Reserve at 3.30pm. Bring your mum down for Mothers Day and enjoy the festivities and some great footy with the U18 girls! Round 4 here we come. Coach Paul.
