

ST. PAUL'S MCKINNON JFC

FROM THE PRESIDENT

Hi everyone,

May 20 2021

What a great sign to have all the kids out there playing footy again. I was over the moon to see more than 250 of our Doggies players playing at Home this weekend. With 11 teams playing from 8am to 6pm, it was a long day at the club. The boys and girls had an absolute ball. Overall, it was a great day for the club and a great day for all the parent helpers in the canteen too.

The process of the canteen role is quite easy and fair to all parents to ensure that they get to see their child play footy each week. It's a great environment with Pam at the head of the ship and it also helps out the club.

MILESTONES

Last week we saw Matthew Werbik, Abby Stuber and Ruby McCurdy with their 50 game banners.

This week we have some big games coming up with Jordan Galgut & Lucas Orso (u17 with their 100 games at home) & we have Anri and Cody (U14 with their 50 games at home).

AUSKICK

The U17 boys had an absolute blast with the kids this week. I remembered when these boys were in Auskick (it's making me feel old!). With a few less out on the track this week due to weather, the kids really enjoyed being on Oval 1 and having the canteen open for hot coffee. Watch out for the Interleague boys and girls this week as they come down to help out.

SENIORS

Our Senior boys were always up for a challenge last week. Playing East Malvern has always been a challenge for the boys. They had great movement of the ball, but were unlucky to convert. Our Reserves were also great with their ball movement. With the help of the U19 boys, the Reserves had a great hit out with East Malvern and were able to move the ball freely around the ground and end with an impressive 52 point win, with Ryan Kreymborg kicking four goals, together with Matty O'Brien, Herbie, Adem Balic, Aussie and Lloyd. It was a great day on the park with the boys.

NETBALLERS

This week I was able to get the three captains of our netball teams give you a run down on how their games are going. This week we hear from Adele Gilmore A1, Abby Chambers A2, and Marnie Clarke A4.

ADELE - Another great effort from the Division A1 girls this week, up against a fiery Cheltenham. Some fantastic passages of play, especially in the second half where we really showed what we can do when we're at our best. Sarah led the defensive end, getting plenty of tips and intercepts, meanwhile shooters Zoe and Grace worked their magic whilst battling the wind. Awesome job to all the girls, especially to keep pushing through such a physical game and to win the last quarter. Big thanks to Bec for playing up and absolutely smashing it!

MARNIE - Hello, my name is Marnie Clarke and I am the Co-Captain alongside Lisa Morrison of the third's netball team at St Paul's FNC. You don't need me to tell you that we have an awesome combination of talented and bubbly girls that make this team at our club. We are a determined bunch of ladies who consistently work hard together and put everything we have into our training and games. The passion we have for the game and the passages of play we can produce is a phenomenal atmosphere to be a part of. We are a team that hold our heads high and come away from every game feeling better in our abilities as individuals and as a team. Our skills can be seen across the whole court where we bring together a combination of speed, skill, agility, balance and tactics. I'm honoured to be apart of such a wonderful team of inspiring players and can't wait to see what the season holds for us. Go DOGGIES!

ABBY - This week, the Div 2 girls had an amazing win to top of the table, Dingley. The scores were tight the entire game but in the last quarter the girls stepped up, resulting in a nine goal win (40-31). Big shoutout to Gracie and Charli who worked together seamlessly and smashed it in defence against some super tall goalers. Our defence end has been building over the past few weeks and it was converted in attack intercepts and rebounds galore. Going into training we have a couple of things to iron out, but overall a fantastic game. Can't wait to see what we can do next week! Go Doggies!

JUNIORS

It was great to see Round 5 come and go with a very cold morning. We had some really impressive games, and I did hear the song a few times around the grounds. A very special thank you to all the helpers each week. Our club is made from all the special people that build our community. It is you that makes us all want to get up and keep our kids on the track. Thank you! A special thanks to Tamara and Donna, who have done a great job in the newsletters and the social media this year. It has certainly improved from my skillset. It was also great to see the U18 girls get down to the AFLW training session at East Malvern. Abbi Maloney (Collingwood), Winnie Laing (Carlton), Kate McCarthy (St Kilda), Alicia Evans (GWS) & Eliza McNamara (Melbourne). Great work girls.

We only have five teams playing at home this weekend from 9am with our U13s, then our U14 boys on Oval 1, our U9s on Oval 2, then with the game of the Round - our U17 boys playing Mordi Brae (Div 1 #1 v #2) at midday and then finishing up around with the combined U14 girls playing the Vampires (that should be a great hit out!) If you are in the area, come down to see a great game or two. There are also a few 50 gamers this weekend!

DOGGIE OF THE MONTH

We will kick off on Sunday with the U8 to the U12s. Pasta night is a great night! ...don't forget the garlic bread!

Auskick News!

Hi everyone,

It was so lovely to see so many kids turn out last weekend despite the cold wind and rain the previous evening. We even had some new faces turn up for their first Auskick experience.

We all thoroughly enjoyed having the Under 17 boys helps out and they even joined in with a game or two. We can't wait to see who visits next week.

Congrats to all the prize winners last week, the kids all did an amazing job.

A few reminders for next week:

- * Please register at the desk and write a name tag for your child at the beginning of each session.
- * Sausages are \$2 each, and raffle tickets will be available to win a meat tray. This week we have some additional prizes, including a free kid's pizza and a voucher for free entry to Lollipops. Please remember to bring cash if you would like to join in.
- * See Emma or Rusty if you'd like to volunteer to cook the sausage.

See you on Saturday Emma and Rusty X

Please remember, Auskick still runs in rainy weather and is only cancelled in the event of severe weather, such as a thunderstorm).

UNDER 8 ORANGE

St Pauls McKinnon vs St. Peter's

A sunny but cool morning had the Under 8's at home for the first time in some weeks. Hamish was skipper for the day. He won the toss and cleverly had us kicking with the wind in the first quarter. I keep saying it each week, but the teamwork showed by our Under 8's is getting better and better each week. So much hard work and great efforts by the team gave Mitch the chance to snag a major out of the pack in the first quarter and we were on our way. Archer, Lucca and Marcus were up to their usual strong efforts, with all the boys registering some nice goals along the way. Zara put in one of her best efforts, nearly taking a mark and getting her just reward with a free kick. Brilliant stuff! Hudson, Mac and Sam had strong games, all doing their best for the team with Steph displaying some of the best Cartwheels I've ever seen. Rose nearly got on the board and it's fair to say the whole bench and spectators were cheering her on. Siddharth joined us today and found his feet straight away. He was speedy around the ground and he got a ripper through the big sticks, awesome effort. Tilly, Izzy, Zac, Beau and Duncan all had moments of great play, sharing the ball and working for each other. Reid, Ben and Zayn have been great contributors every game and they sure had a great day today. Needless to say after such great teamwork, such determination and playing with the Doggies' spirit, it was a great reward for our little Under 8's to sing the song again! Very proud of all our players, Go Doggies. Coach Rob

UNDER 9 ORANGE

St. Paul's McKinnon vs Port Melbourne

It was forecast as a cold and wet day on Friday. Jane Bunn was way off as the weather gods turned McKinnon Oval into a pretty picture. The ground was pumping with all the games and activity and the sense of occasion was not lost on these kids. A big rebound game for us after a tough time of it the week before, saw all the kids lift. with William and Julius both kicking two sausages each with some fine skills. William's dribbling left foot snap along the ground from the left pocket had Goal of the Year written all over it, and would have made Eddie Betts proud. Also Jack and Andrew's pairing in the rotation was a masterstroke of coaching from me with some great marks and goal assists from both in the forward line early and locking down the back line later in the game with some score involvements via 40m+ kicks from the back line to the forward line was something to behold. Also in another coaching clinic from yours truly, swinging our big beast Archer Close into a midfield tagging role on their dominant big helped us hold on to smash out a rendition of the Doggies theme song that was heard from the other side of the Westgate. Shout outs to Lincoln, Leo, Siddharth and Mya for implementing the skills in today's game that we have been working on at training, namely the correct way to pick up the ball in traffic and executing some solid 'bear hugs'. Also I have to apologise to the Carisbrooke family and little Archer for the mix-up with the rotations. I will get that sorted moving forward. Finally, thank you to Pravi for putting up with me barking instructions at him all day. Next time you will remember the fit gear! Also Huw for stepping in at the last minute to tackle goal umpire, and to Brent for helping out in the canteen. I'm truly blessed to have such a great group of kids and an even more supportive and actively involved group of parents. Makes my job so easy and enjoyable. Looking forward to a solid training session this week and another big performance from the kids next weekend. Go Doggies! Coach Aron

UNDER 10 GIRLS RUBY

St. Paul's McKinnon vs SMD

Both teams started well with SMD kicking the first goal. Ella was playing so well in defence, propelling attacks with run and carry into the midfield. By half time we had hit the front with a small two point margin. The third term saw both teams defending strongly. We only added another two points to take a four point lead into the final quarter. While the ball stayed in our forward line for most of the quarter, we were unable to score and in the dying minutes SMD took the ball into their forward line and scored a goal to win by four points. Best for St. Paul's was Ella, Ellie and Hannah. Coaches Joe & Adam

UNDER 10 FIRE

St. Paul's McKinnon vs East Sandringham

Round 5 saw us playing away against East Sandringham. Thanks again to our U9's, Jaiiaan, Liam, Jarryd and Alistair, for stepping up to play their 2nd game. Hopefully the experience of playing with and against older kids will stand them in good stead for their future development. A great contribution was made from all our players who tried hard all day. Xavier played his best game this season and Luke kept racking up possessions throughout the game, seeing them rewarded at the end of the game. Leo also played his best game and is constantly improving each week. Namish laid many tackles through the midfield and Flynn was strong in defence, rebounding the ball often. Daniel and Carter were both lightning quick with their running and long kicking. Lucas often used his height to get the ball to our running players which enabled the likes of Layth, Samuel, Archie, George and Ricky to get plenty of the ball. Our self appointed captain for the day was Max, who was in everything and often frustrated the opposition, resulting in free kicks to our side. Looking forward to hitting the training track this week before we play away once again in Round 6. Coach Chris

UNDER 11 DIV 5

St. Paul's McKinnon 3.3.21 vs St. Peter's 7.3.45

Goal Kickers: L. Woutersz, H. Lee Kim , A. Sideridis

Best Players: H. Campbell, H. Sawtell, C. Black

Back to St. Peter's for Round 5 for a Round 1 rematch, we matched up well against them and we were expecting another close contest. We got off to a good start hitting the scoreboard early but St Peter's didn't let us get away. Harrison Campbell was racking up possessions at will along the wing, giving the forwards plenty of opportunities. Some wonderful passages of play and slick ball movement were on display, and it was pleasing to see the boys do the little things like sheppard, tackle, block and use quick hands to players running past in better positions instead of blazing away. Unfortunately our hard efforts weren't translating as much as we'd have liked on the scoreboard. Leo spent some time forward this week and was rewarded with a great goal. Our back line held up exceptionally well, especially in the second half, with Aidan, Harrison Sawtell and Campbell busting packs and clearing the ball time and time again. In the end, St Peter's were too strong for us, winning by four goals, but the boys tried their best right to the final siren. Looking forward to round 6. Coach Trent

UNDER 12 DIV 4 (DAVE)

St. Paul's McKinnon 15.12-102 vs East Malvern 0.0-0

Goal Kickers: S. Borreau 5, B. Fischer 3, M. Comito 2, P. Jacobs, D. McDade, R. Nagar, E. MacLennan, T. Hill.

Round 5 saw our mighty Doggies take on East Malvern at home. As has been a feature this year to date, we got off to a fast start with quick ball out of the middle giving our forwards opportunities to get that early scoreboard pressure on. Our midfield group led by Sean, Ted, Harish & Ruben have developed a great synergy with each other evident by the way they set up to give themselves the best chance to get quick ball movement down the corridor to our leading forwards. Along with Ash & Flynn on the wings, these guys run all day. Ruben was fantastic again today with his hard running but it was his second and third efforts in contested situations that stood out today. Our forward line continues to trouble the opposition defence with the likes of Braden, Max C, Philip, Tom, Decs & Teddy always on the move with the bigger guys crashing the packs and the smaller brigade developing an awareness as to where to position themselves for a crumbing goal. Today we also had Sean push forward to test the East Malvern backline with his height and he too had a day out coming away with 5 goals. Our backline has been brilliant all year, they are seriously tough and they do not give the opposition forwards an inch! The back 6 have developed a great understanding of how each other plays and you always know there will be 2-3 of our guys consistently at a contest. Aidan, James, Noah, Paddy, Max A & Luke read the play really well knowing where to best position themselves and also each time be hard at the contest. One of the most pleasing aspects of this team is the way they are learning to transition the ball efficiently from the backline to the forward line- we have spent a fair bit of time practicing this at training and it is great to see these guys execute it! Next week we take on Waverley Hawks away and we know they will be wanting to atone for the round 1 result. Well done, Coach Dave

UNDER 12 DIV 5 (SHANE)

St. Paul's McKinnon 13.10.88 vs SMD 1.1.7

Goals: Darcy 5, Kingsley 2, Thomas 2, Daniel 1, Christian 1, Anthony 1, Hayden 1

It was an early 8am start and our boys were still asleep for the first 10 minutes allowing Sth Melbourne Districts to kick the 1st goal of the game. The energy levels were low and we needed a spark which mainly came from Thomas, Darcy and Christian through the middle. This turned the game with the ball spending a lot of the time in our forward line with Kingsley very busy. We went into quarter time with 3 goals to 1 including a terrific snap by Daniel and Antho kicking his 1st goal for St Pauls. The 2nd quarter the boys were definitely awake and on their game. Kingsley dominated the quarter spending most of it in the forward line kicking multiple goals. The drive through the middle was super, Antho had a turn in the ruck showing terrific 2nd efforts allowing the ball to move forward and both Thomas and Chistian Savva were super clean with the pick ups and when they take off nothing can stop them. 4 goals, 4 points to no score made the half time scoreboard look good. There was a head clash between the opposition team that delayed the half time break, both boys went off and will be fine but we had to shorten the quarters to 12 mins each. We wanted to continue to push hard and run off the back line was very impressive by Markus and the silky Callum who filled in for us today. Adam continued his strong season with toughness around the ball whilst Tom W continued to show his class running hard through the middle of the ground driving the ball forward. Darcy had another stand out performance, his ability to run, carry and finish is great to see and it showed on the scoreboard finishing the day with him booting 5 goals. The opposition although well beaten on the scoreboard were still fighting hard which was a good challenge for our team We sent Lewis forward and he contested well in the air. Hayden played a good captains game and hit the scoreboard once again. Chaize attacked the ball all day, clean hands in the middle in the final qtr was great and the handball to a running team mate through the middle was just the style of play we are aiming for. 3 wins on the trot and the boys are paying with confidence. We will continue to work hard at training and already looking forward to next week. Coach Shane

UNDER 12 GIRLS DIV 3

St. Paul's McKinnon 2.1.13 vs Hampton Rovers 4.4.28

On Sunday I was privileged to coach the U12 girls team. My first game as coach! The weather had started to turn and there was a strong wind blowing to the south of the ground but that was not going to stop our Doggies. The first quarter we were kicking into the wind and our defenders had to work really hard as a unit. The second quarter saw the tables turn and we had our tails up with the scores levelled at half time. We rallied hard in the second half with great tackling and team work, making all of our hard work at training start to come together on the field. We got down low and into the mess and cleared the ball. There was amazing backline marking and clearing the ball into the midfield that got us all excited on the sideline as the ball crept closer and closer to our forwards. The final result doesn't reflect the fight and the hard work the girls put in but we will get them next time. Well done girls - I am so very proud of your listening and skill execution that was asked of you. A big thank you to Ben, Rob, Cappi and the rest of the parents who supported the girls and myself in my first coaching game. It was a blast and I look forward to seeing the girls on the training track this week. Coach Bec x

UNDER 13 DIV 3 (PETE)

St. Paul's McKinnon 16.7.103 vs Mordy Braeside 1.0.6

Goal Kickers: Jai Smith 8, Bailey Case 2, Jonty Litwinow 1, Brady Ryan 1, Harry Robertson 1, Lincoln Higginbotham 1, Noah Winston 1, Zavier Matthews 1.

It was a great vibe in the rooms before the game, and I knew the the boys were on... It was a battle to start with one goal each in the first ten minutes, but then we broke free. Brady and Patty continued to push the ball forward through the midfield. James was dominant in the ruck, whilst Michael and Onkaar racked up possession after possession on the wings. Mordy Brae tried hard to push the ball forward, but was rebounded by Lincoln and Noah who were relentless. Archie and Finn let nothing through in the backline. Harry was great up forward, whilst Max worked his backside off presenting time and time again. Bailey popped up and kicked two goals, whilst Jai grabbed everything and kicked truly with eight goals for the day.

Great Team Effort!

#Brotherhood #Believe

Keep up the good work - let's come prepared for East Sandy....

Coach Pete

UNDER 13 DIV 6 (JOCKA)

St. Paul's McKinnon 9.6.60 vs Highett/Bentleigh 6.7.43

Best Players: Riley 4, Jack 2, Dean and Rueben

Footy day again started off brightly with Ruben stepping up from the Under 12s to VOLUNTEER to test himself against the older and more experienced, and to help us with our numbers and he was faaaaaantastic, and we thank him for his 'extra effort' as it makes such a difference. So we finally started a game with a bench of one. In what was a surprisingly sunny yet brisk day, all the boys again came to play our new and exciting brand of offensive football. We have been learning how to play this new style of 'team football' for four weeks throughout the grading games, and this was the first real test. AS A TEAM, all the boys worked towards our shared goal of getting the ball and pushing it forward to the correct option. Again, we accepted that we were risk taking and sometimes it would not work, but all the boys were not set back, but rather continued to push forward. This was highlighted by us taking risks instead of 'shutting the game down at the end of each quarter' and the opposition kicked a goal in the last 30 seconds of the first, second and third quarters to keep them in the game. We never lost focus on our goal, however, and we understand that making mistakes is all part of the learning process. The upside was that we scored our highest score for the season and this score came about through a combination of our relentless pressure on the opposition and the spirited running game that everyone played, plus the discipline / ability to kick to the hot spot allowing our forwards to convert with greater ease (very reminiscent of a recent three time AFL Premiership team???). We continue to shuffle our team around in our pursuit to get the best out of EVERY player in every game. It has been nothing less than a magnificent improvement by the boys and the rendition of the club song after the game had the same gusto that will carry us to even greater heights this week. I think the game was highlighted by St. Paul's outscoring the opposition against the wind with only 17 functioning players in the last quarter because the boys just kept to their plan irrespective of anything. We will move forwards continuing to push every player to reach his maximum potential and carry no passengers as every player is committed to our team goals. On Sunday all the boys 'JUST DID' and the scoreboard looked after itself. Coach Jocka

UNDER 14 DIV 2

St. Paul's McKinnon 7.6.48 vs Brighton Beach 5.6.36

Goal Kickers: Cody 2, Ryan 2, Julian, Seb, Anri

The U14 boys were out to prove that they were up to the 2019 Div 1 Grand Finalist. Whilst the physicality of the Brighton Beachgoers was a little intense, the boys stuck it out leading into the half. With an emergency break due to a goal post being in the way, the boys went into the half a little razzled. With a half time speech, some slight changes to the line up and a much needed half time boost from Bowen, the boys were revved up to come out and play their game of footy. The boys stuck to the structure which won out in the end with higher rotations, fresher legs and speed to out run the beach goers. The last quarter come back was great to see with the boys come back with four goals in the last period. A great job boys. Let's keep up the good work when we face Murrumbeena on Sunday at home. Coach Paul.

UNDER 14 GIRLS DIV 3

Bentleigh/St. Paul's 4.2.26 vs Murrumbeena 2.0.12

Goal Kickers: O. Smith 2, S. Dymock, L. Hurwitz

UNDER 15 DIV 4

St. Paul's McKinnon 4.4.30 vs 4.4.30

Goals Kicker: Adem 2, Lucas 1, Hamish 1

The under 15 boys took on Prahran at home on a windy Sunday.

With 5 unavailable due to injury we were lucky to have Anri come up from the under 14's and help out.

Pressure and intensity were the focus of the day and our boys maintained that from start to finish.

The boys should take a lot of confidence out of this performance, the next win is just around the corner.

Coach Peter

UNDER 17 DIV 1

Central Saints 12.9.81 vs Port Melbourne/South Melbourne .15.63

Goal Kickers: Madgwick 3, Rousakis 3, Behnk 2, Scollo 2, Fountain 1, Hattingh 1

Best Players: Harper, Scollo, Greene

We got to play our archrivals across the years, Port/South Melbourne, at Lindsay Hassett Oval. Inner city parking and Grand Prix closures did not deter the faithful who arrived enmasse. There was a significant wind advantage which we kicked with in the first quarter. Whilst the play around the ground was even, we were cleaner with forward entries and scored the first five goals of the game. Again, we can see where having the composite team is a huge advantage with the skill levels and Xavier has the boys working so well together. Port/South in their true fashion, came back to only be a couple of points down at $\frac{3}{4}$ time. Fortunately, the wind had died down which took away their advantage and our backline stood up strongly to the South/Port onslaught. Shout out to James Harper who was outstanding at full back. We made the most of our forward opportunities to constantly create scoreboard pressure. A few times we went coast to coast with delightful skills. A memorable win and one all associated with can be proud of. Happy Birthday to Chris Rousakis who was handing out the presents with three clinical goals. In typical fellow Taurean fashion, he was a raging bull. Thanks to all the people who pitched in when Joel had to go to emergency with concussion. It takes a village. Andrew

Great win by the boys in a hard, tough game, but well fought out by the Central Saints to deliver three wins on the trot. We now look forward to having another crack at the undefeated Mordi Braeside team next week at McKinnon Reserve. Pat

UNDER 18 GIRLS DIV 2

St. Paul's McKinnon / East Malvern Youth Girls 8.6-54 vs Waverley Hawks 5.4-34

Goal Kickers: T. Daly 2, J. L'Huillier, R. Finster, A. Stuber, G. Foran, M. Landau, J. Gertler

Best Players: T. Daly, R. Finster, B. Tsan, J. Stolz, G. Foran

A tough start to the new season as the U18s were split into 2 divisions. The girls took on Waverley for the third time this year. Waverley have improved immensely since our Round 1 match. The physicality increased and the game was within one goal at half time. With some great plays from the centre, strong ball work from the backline and the leading from the forwards, the girls maximised the opportunity at half time to a one goal lead. The girls were inspired by the leadership from Geo, Banks, Smitty and Stolzy at half time, to not to get sucked into their game and play their brand of footy. Shaking off the cobwebs, the girls came out and lead the way to the end of the game displaying some great marking and outscoring the Hawks by three goals in the second half. A brilliant effort by the girls. Next up the Vampires! Coach Paul.

WILL'S BATCH ICE CREAM

We love ice cream - and our passion runs deep at the Williamstown Ice Cream Factory and Will's Batch Ice Creamery.

We trace our origins to 1981 when our founders opened a little ice creamery across the road from a popular Melbourne beach. Locals and tourists loved it and over time we started distributing ice cream across Victoria.

Nowadays, you'll find 'old schoolers' mixing with a new generation of ice cream lovers in our factory and at our shop. As always, our passion for creating the finest ice cream has stayed the same.

The reason our ice cream tastes like real old fashioned ice cream is simple - it's all handmade in small batches.

We use wholesome ingredients and blend in seasonal fruit to create unique flavours.

You won't see any fancy automated equipment in our kitchen.

We get a kick out of dreaming up new flavours. Over the years we've made some pretty unique creations, some of which started as simple ideas from customers.

We always welcome ice cream lovers to tour our factory. So if you're in the area give us a call and drop in to say hello.

Visit us at our shop in Bentleigh!

Shop 2 - 435 Centre Road, Bentleigh

We're right next door to Nando's and across the road from Subway. Enter from Godfrey Street. Our flavours are constantly changing. Also look out for our special seasonal treats.
